NOTIFICATION OF A PUBLIC HEARING ON PROPOSED RATE INCREASES

Article XIIID of the California State Constitution and the Proposition 218 Omnibus Implementation Act requires local government to notify property owners and/or rate payers of proposed water rate increases. The District will hold a Public Hearing at the following address and time:

Date:	**Saturday, November 14, 2026**
Time:	**9am**
Location:	**Santa Ysabel Nature Center, Meeting Room** **22135 CA – 79, Santa Ysabel, CA**

At the time of the public hearing, the District Board will hear and consider all protests and objections concerning these matters and will consider and may adopt the increased rates. To oppose the proposed water rate increases, property owners or tenants may submit written protests prior to the close of the public hearing either by mail or in person at the District office or at the public hearing. Only one protest per property owner or customer of record will be counted.

Written protests must include:

(1) identification of the property involved in the protest by assessor parcel number or address
(2) a statement of protest
(3) signature of the customer or property owner of record

If written protests against the rate adjustments are submitted by more than 50% of the affected properties, the proposed rate adjustments will not be adopted. Only one protest per property will be counted. Pursuant to Government Code section 53759(d), there is a 120-day statute of limitations for challenging the proposed water rates.

For further information regarding the rates and analysis, please refer to the Rate Study which is available for review at the District Office and at https://wynolawaterdistrict.com.
